MOTION TO CONTINUE SENTENCING DATE

Comes not the United States of America, by and through Edward L. Stanton, United States Attorney, for the Western District of Tennessee, and moves the court to continue the sentencing hearing currently scheduled for January 13, 2011.

In support of said motion the United States submits that the defendants plea agreement provides that he will plead guilty to a second case involving Tax Evasion. The Change of Plea Hearing is scheduled for December 13, 2010. This will require the probation office to prepare a second presentence report on the tax charges. The parties will then need the necessary time to review the report, discuss it with probation, and prepare position papers. Thus, the January setting date does not allow sufficient time to handle these matters.

Counsel for the defendant has no objection to this motion, but has a lengthy trial schedule in late February. Government Counsel has a three week trial scheduled for

February 14, 2011. Therefore the parties would request for a setting for late March or later.

.

Respectfully submitted,

EDWARD L. STANTON
United States Attorney
